

Entomology Department Arthur B. Gahan Fellows

Arthur B. Gahan Fellows are awarded to Entomology Department graduate students each year in recognition of excellence in research creativity and productivity. The fellowship consists of a full stipend, a supplemental half-time assistantship in order to provide health benefits, summer support provided by the faculty advisor, and tuition remission for up to 10 credits per semester.

Below is a listing of past recipients of this fellowship. To view recipients after 2018, please visit the Entomology Department [News](#) page and select the “Awards” category.
